This screen shot shows the output with the given sample.txt file

A screenshot of a Windows command prompt window. The title bar at the top reads "C:\Windows\system32\cmd.exe". The window has a blue border and standard Windows window controls (minimize, maximize, close) on the right. The main area is black with white text. The text displayed is: "This part is the footnote." followed by "Press any key to continue . . . _". A vertical scrollbar is visible on the right side of the window.

```
C:\Windows\system32\cmd.exe  
This part is the footnote.  
Press any key to continue . . . _
```
